KIM sample

- ⊙ yes

KIM results

- 1 from CD garnet with diamond chemistry
- no KIM's but good magnetic / gravity signature
- no KIM's recovered
- picked but not sampled

Intersection of all bands (31% of kimberlites fall in this range)

Intersection of clay & ferric oxide bar (80% of kimberlites fall in this range)

Permian Basin

Band 6 (1 std +/- kimberlite mean)
